

Brachos Rishonos Sorting Worksheets

By Mrs. Yaffa Harari

Grade Level: Early Childhood, Elementary, Special Ed

Description:

Worksheets featuring pictures of foods for students to sort according to bracha.

Specifications:

Use as part of a Brachos Rishonos unit to review similar/easily confused brachos.

Materials Needed:

- Scissors
- Glue stick

Instructions:

1. Students should follow the dotted-line to cut off the bottom of each page and then cut-out each picture individually. (Encourage students to cut in a general circle around each food.)
2. Students should then paste each picture into the proper column.
